# Australia

## Oceanía

**Would you know how to locate Australia on the World map?**
**Color the part of the planet where Australia is located and place some cities on the map.**

**Capital:** Canberra

**Main cities:** Sydney, Melbourne, Brisbane, Adelaide, Perth ...

---

**There are more kangaroos than people.** Australia has about 26 million people... and more than 50 million kangaroos. They could stage a rebellion if they wanted!
