A Write the number that corresponds to each bone. Next, use felt-tip pens to color the bones with the specified color. Let's create a colorful skeleton together!

B Circle the joints and label them

1 Spinal column
2 Ribs
3 Skull
4 Ulna
5 Femur
6 Humerus
7 Pelvis
8 Fibula
9 Radius
10 Tibia

Remember: bones support and protect our body's organs. Joints allow us to move our bodies in many ways: bending, twisting, turning, and more.
